

Uth Ink gives youth the opportunity to journey through an artistic process with a professional playwright and participating communities nationwide. This "journey" is hosted by an arts organization within each community, which is administratively supported by Playwrights Guild of Canada and brought to the street by [murmur].

Uth Ink was first implemented in August 2007 in 5 communities. Uth Ink has now grown to eight communities across the country. A publication of Uth Ink's first year of plays is available at www.playwrightsguild.ca

If you are an aspiring playwright and would like to take part in next year's Uth Ink program or would just like to know more about Uth Ink please visit: www.uthinkers.ca or email robin@playwrightsguild.ca.
